PREQUALIFICATION OF CONTRACTORS FOR TRAFFIC SIGNALS

Dear Ms Kelly

I refer to your application for an upgrade of prequalification for traffic signals under the RTA's scheme.

I would like to advise that your company has been classified as follows:

TS1 (Traffic Signal Works to \$1M)

Your OHS & R management system has been accredited with the RTA as addressing the requirements of the OHS & R Management System Guidelines 4th Edition. A copy of the assessment report is attached.

Yours faithfully
